# S-LOTS OF FUN

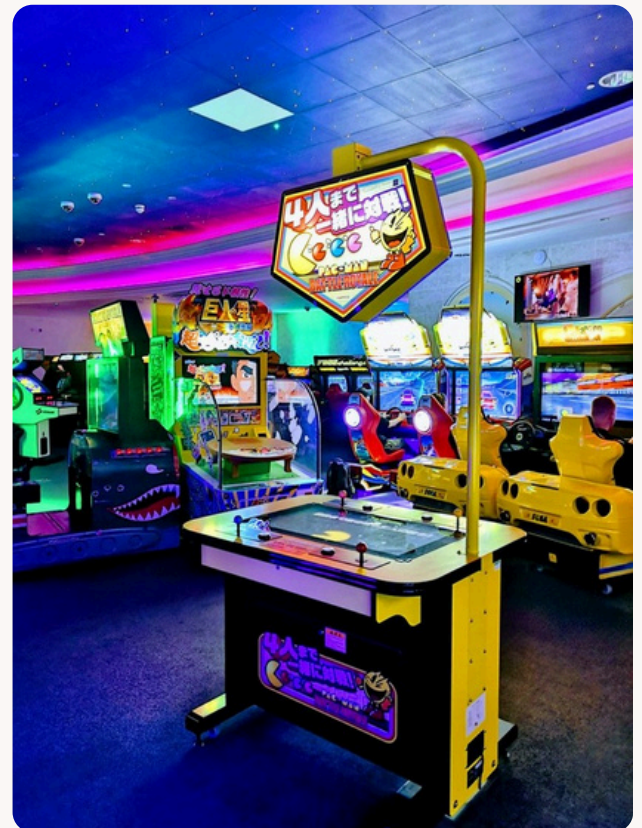

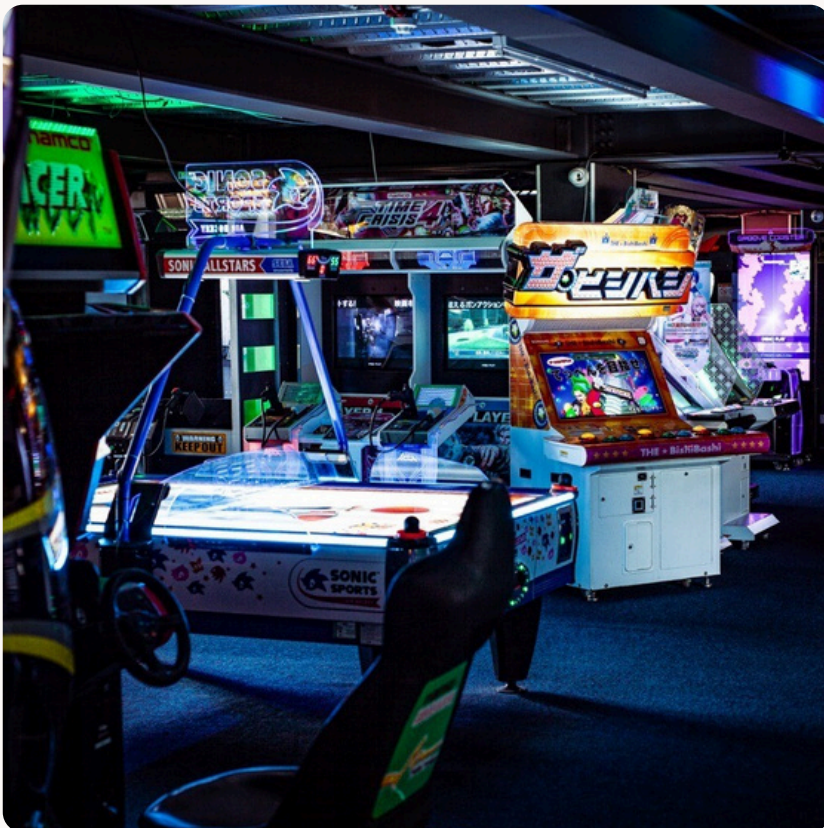

If you're looking for the perfect power-up for your break, head on down to the Arcade Club on Bloomfield Road and enjoy Blackpool's only free play arcade! For one great price of £16 for adults and £8 for children, you can enjoy all the classics the venue has to offer, with hundreds of games and attractions available.

Blackpool has a rich heritage of arcades, and many have enjoyed the games which have come and gone throughout the years. The Arcade Club has many of the original classics, which have been enjoyed for many years and gives visitors a chance to revisit them and indulge in the nostalgia. The arcade even states that if you are visiting with a particular game in mind, you can contact them in advance at 0161 464 9796 to make sure it's ready to play!

Whether you enjoy the classics such as Donkey Kong, Pac-Man, or Tetris, or you prefer modern games including Mario Kart Arcade and House of the Dead 5, there's endless fun for all ages! The club prides itself on keeping the classic machines in perfect condition, so they all look, sound, and play as if they were brand new.

Located directly next to the football stadium, the arcade offers free parking. It is recommended that you book online, but there is also a limited number of walk-in tickets available to purchase on the day.

The Arcade Club offers excellent food at very competitive prices; they even do specials occasionally. There is also a wide range of alcoholic and non-alcoholic beverages available to visitors.

# SHOW TOWN MUSEUM

Roll up, roll up to Blackpool's all-singing, all-dancing museum! Showtown is a fully interactive museum displaying the very best of Blackpool's entertainment history.

From Peter Kay's suit to Tommy Cooper's fez, the attraction has been entralling guests of all ages since 2024 with six galleries and hundreds of exhibits showcasing the rich history of the circus, illuminations, the seaside, and all the entertainers we have hosted in the resort.

There's fun to be had for all the family, with an in-house cast of actors waiting to dazzle you as soon as you enter the gallery. All the characters are from time periods iconic to the town, and they even have a 1950s landlady! You can also join the ringmaster for a circus workshop, teaching juggling, plate spinning and more.

Showtown is perfect for kids to explore. Whether they love creativity or adventure, there's something for your little ones. You can perform your own Punch and Judy show or even design your own illumination to be shown on the big screen!

With tickets at just £9.50 for adults and family offers available, the attraction has a reputation for being one of the best value-for-money spots to visit in Blackpool. Winning Exhibition of the Year in 2025. Admission is also included in the new Blackpool Tourism Annual Pass, which gives you unlimited admission to many of Blackpool's top attractions for only £99.

Showtown is located in the heart of the town centre on Bank Hey Street and is just a 2-minute tram ride from Craig-Y-Don hotel, just across the road from the tower, offering the perfect day out for guests looking to relive memories of the town, and of course, create some new ones as well!
